Pabna, Rajshahi, Bangladesh

## Summary

Hi, I'm Imdadul Karim, a passionate Front-End Developer with over 5 years of experience in the web development sector. I specialize in creating dynamic and user-friendly interfaces using HTML, CSS, and JavaScript.

In 2020, I completed a Responsive Web Design course at Creative IT Institute, where I built a strong foundation in programming and design.

My toolkit includes modern frameworks and libraries like React.js, Tailwind CSS, and DaisyUI, which allow me to build responsive and visually appealing web applications. I thrive on turning complex problems into elegant solutions and enjoy collaborating with teams to bring innovative ideas to life.

I'm always eager to learn and adapt to new technologies, staying updated with industry trends. Let's connect and explore opportunities to create impactful web experiences together!
